Exam Hack of the Day

The Semicolon Shortcut

8 out of 100 marks
are awarded just for using correct and complex punctuation.

The easiest one to use:

;

THE SEMICOLON

Used in the exact same way as the full stop.

Rule: Whenever you have two sentences* that share a connection, you can link them using a semicolon instead of a full stop.

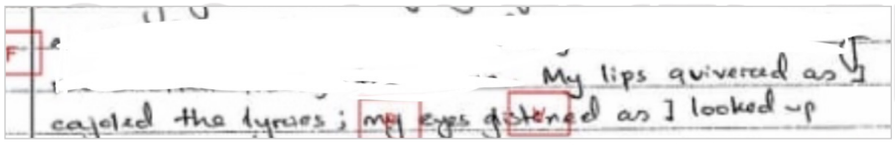
Examples:

1. Ali had always been a stubborn teenager ; you could never get him to agree to things.
   sentence 1 *sentence 2*
2. The rain hammered against the windows ; we had no choice but to stay indoors.
   sentence 1 *sentence 2*
3. She studied tirelessly for months ; her hard work finally paid off in the results.
   sentence 1 *sentence 2*

**A sentence is a phrase that has a SUBJECT and a VERB.*

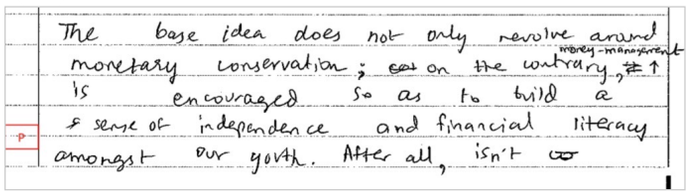
NOTE: Using 8-10 complex punctuations per answer would guarantee full marks in the punctuation department.

Proof of credit of punctuation usage from students' answer scripts:



My lips quivered as I
cajoled the lyrics; my eyes glistened as I looked up

V	Indicates merits of vocabulary (including spelling)
P	Indicates merits of punctuation



The base idea does not only revolve around monetary conservation; on the contrary, money-management is encouraged so as to build a sense of independence and financial literacy amongst our youth. After all, isn't
