English Language 1123
By Miss Jaweria

Section A — Vocabulary in Context

(a) 'stubbornly convinced' **[2 marks]**

Award 1 mark for each bullet up to a maximum of 2 marks:

- ('stubbornly') firmly / with determination / refusing to change / obstinately / rigidly
- ('convinced') sure / certain / believed completely / had no doubt / assured

Guidance: Do NOT credit "thought" alone for convinced. LOOK FOR certainty.

(b) 'finally relented' **[2 marks]**

Award 1 mark for each bullet up to a maximum of 2 marks:

- ('finally') at last / in the end / after a long time / eventually
- ('relented') gave in / changed his mind / agreed / yielded / softened his position

Guidance: LOOK FOR a sense of giving way after resistance.

Section B — Word Choice

(c) 'devoured' rather than 'ate' **[1 mark]**

- devoured suggests eating greedily / hungrily / rapidly / consuming completely // ate is neutral and does not convey desperation or speed

Guidance: LOOK FOR greed, speed, or desperation in eating.

(d) 'perished' rather than 'died' **[1 mark]**

- perished suggests suffering / tragedy / helplessness // died is factual but lacks the emotional weight of perished

Guidance: LOOK FOR a sense of tragedy or suffering.

Section C — Writer's Effect

(e) 'primitive' **[2 marks]**

Award 1 mark for each idea up to a maximum of 2 marks:

- the shelter is basic / rough / crude / simple / not well-built
- it is ancient / old-fashioned / from an earlier time / uncivilised
- it suggests hardship / difficult living conditions // the reader feels sympathy / concern

Guidance: Focus on the basic, rough quality. NOT: old alone.

(f) 'combat' **[2 marks]**

Award 1 mark for each idea up to a maximum of 2 marks:

- it is violent / aggressive / dangerous / like a war
- they are fighting physically / struggling / in conflict
- it is intense / serious // the reader feels tense / anxious / scared

Guidance: LOOK FOR violence or intensity. NOT: argument alone.
