Section A — Vocabulary in Context

(a) 'carefully inspected' **[2 marks]**

Award 1 mark for each bullet up to a maximum of 2 marks:

- ('carefully') thoroughly / closely / with attention / in detail / one by one
- ('inspected') examined / checked / looked at / studied / went through

Guidance: Do NOT credit "looked" alone. LOOK FOR close examination.

(b) 'laborious process' **[2 marks]**

Award 1 mark for each bullet up to a maximum of 2 marks:

- ('laborious') tiring / exhausting / difficult / requiring great effort / backbreaking
- ('process') task / job / activity / piece of work / procedure

Guidance: LOOK FOR effort and difficulty. Do NOT credit "long" alone.

Section B — Word Choice

(c) 'vast' rather than 'big' **[1 mark]**

- vast suggests an overwhelming, almost infinite size / beyond what the eye can see // big is ordinary; vast emphasises the extreme, awe-inspiring scale

Guidance: LOOK FOR extreme or overwhelming size.

(d) 'fashioned' rather than 'made' **[1 mark]**

- fashioned suggests skilled craftsmanship / careful creation / artistic work // made is too simple; fashioned implies expertise and care in the making

Guidance: LOOK FOR skill or craftsmanship.

Section C — Writer's Effect

(e) 'ancient' **[2 marks]**

Award 1 mark for each idea up to a maximum of 2 marks:

- the walls are extremely old / from a distant time / have stood for centuries
- they are decaying / wearing away / showing the effects of time
- creates a sense of history / the passage of time // the reader feels awe / fascination

Guidance: Focus on age and the effects of time. NOT: broken alone.

(f) 'inevitable' **[2 marks]**

Award 1 mark for each idea up to a maximum of 2 marks:

- the collapse was certain / unavoidable / bound to happen / could not be prevented
- suggests failure / neglect / no one could stop it / it was only a matter of time
- creates dread / hopelessness // the reader feels anxious / scared / helpless

Guidance: LOOK FOR certainty and inability to prevent.
